

ADMISSION APPLICATION

MISSION STATEMENT

HILLSDALE ACADEMY develops within its students the intellectual and personal habits and skills upon which responsible, independent, and productive lives are built, in the firm belief that such lives are the basis of a free and just society. The Academy strives to offer enrichment and to develop character through both curricular and extracurricular offerings, to nurture the child's humanity—spirit, mind, and body—with a constant view to the potential adult. The time-honored liberal arts curriculum and pedagogy direct student achievement toward mastery of the basics, exploration of the arts and sciences, and understanding of the foundational tenets of our Judeo-Christian and Greco-Roman heritage. The curriculum by purpose and design is a survey of the best spiritual, intellectual, and cultural traditions of the West as they have been developed and refined over countless generations.

Interviews are conducted during the spring of each year. You will be contacted regarding a specific date and time to come to the Academy. At the formal interview, writing samples and math placement testing may be requested of candidates in the upper grades.

Kindergarten applicants should be five years old by August 15 of the year they enter kindergarten. All kindergarten applications should be submitted by March 15.
