

# Connecting the iPhone / iPod Touch to Hillsdale.edu Mail Accounts

Before you begin: You must be on the CampusNet wireless network in order for Microsoft Exchange to make the initial connection to your device.

Select *Settings* from the home screen of your device.

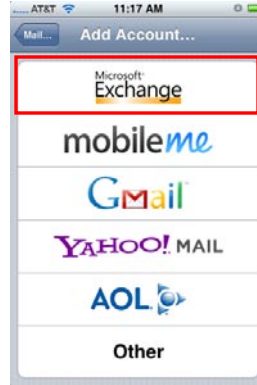

Select *Mail, Contacts, Calendars*

Select *Add Account* from the Mail Screen

Select *Microsoft Exchange*

Enter your Exchange account information.

*Note:* The Server is: *mail.hillsdale.edu*

*Note:* The username is prefaced by **HILLSDALE.EDU/**

Select *Next*

Select which items (Mail, Contacts, Calendars) that you would like to sync with Microsoft Exchange.

*Note:* Syncing Contacts will remove your current Contacts from your device and replace them with the Contacts from your Exchange address book.
