Admission to Hillsdale College is a privilege extended to students able to benefit from and contribute to the academic and social environment of the College. Important qualifications for admission are intellectual preparation, ambition, and social concern; accordingly, grade average, test scores, strength of curriculum, extracurricular activities, interviews, volunteerism, work experience, and recommendations are each reviewed carefully and are important in the evaluation process. While some factors are necessarily more important than others, seldom is any single criterion, however important, decisive.

**ELECTRONIC APPLICATION**

Students who wish to submit their application electronically may do so via The Common Application or the Hillsdale College website (hillsdale.edu/apply). The $35 application fee for paper applications is waived for students submitting their application online.

**ADMISSIONS CHECKLIST**

Introduction and Application Procedures

**TRANSFER CANDIDATES**

Students who wish to transfer to Hillsdale College from another college or university must submit the standard application, including their high school record and ACT/SAT/CLT scores, and forward transcripts from all colleges previously attended. In addition, they must submit a transfer evaluation form (available on the Hillsdale Admissions website) completed by the Dean of Students at their current college or university. If admitted to Hillsdale College, a transfer student may expect to receive an evaluation of transfer credit as determined by the Registrar.

**INTERNATIONAL STUDENTS**

Candidates for admission from other countries follow the customary entrance procedures while also being responsible to submit all transcripts with English translation from their international preparatory schools or universities. If this service is not available at your school or university, evaluations may be performed by one of the approved credential evaluation agencies, such as World Education Services (WES), or Educational Credentials, Inc. (ECE). Other reputable agencies can be found on the NACES website (www.naces.org). Students whose first language is not English may demonstrate proficiency by submitting the results of the TOEFL or an equivalent test. While the ACT, SAT, or CLT is required of international applicants, the TOEFL is optional.

**HOMESCHOOL STUDENTS**

Candidates for admission from homeschooling backgrounds should submit transcripts from a homeschooling guild or association. If unavailable, detailed course descriptions, proficiency levels, and textbooks used is an acceptable alternative. FastTranscripts.com, offered in concert with the Home School Legal Defense Association, are also acceptable.

Letters of recommendation should be written by non-relatives who can comment on a student’s ability to compete in a rigorous program of study and to thrive as a contributing member of the campus community. If a student has no instructors outside of family, three letters should be submitted, with the third being written by the primary parental educator.

**GUEST STUDENTS**

Students in good standing at another institution who plan to return to that institution may enroll briefly at Hillsdale College as guest students after filing a guest application with the Admissions Office. That application form is available at the records office of most colleges.

**FINANCIAL AID**

Hillsdale College does not accept federal or state subsidies, nor does it permit its students to utilize governmental aid. Since 1985, through support from private donors, Hillsdale has provided to eligible students alternative grants and loans to replace those federally subsidized. To be considered for need-based assistance, a student must first complete the Confidential Family Financial Statement (CFFS). This form is designed to determine the financial contribution a family can make each year toward the candidate’s schooling and may be found on the Financial Aid portion of the Hillsdale website. Need is then determined according to the following simple formula: [college cost – family contribution = need]. By drawing from a number of sources, including grants, loans, and campus employment, Hillsdale works to assemble a viable financial aid package to defray educational costs. Financial aid at Hillsdale College is granted without regard to race, color, religion, sex, national or ethnic origin, and all awards based on need are made on a first-come, first-served basis. For more information, contact Financial Aid at (517) 607-2350.

**SCHOLARSHIPS**

Each year, Hillsdale College makes available to incoming students a number of scholarships awarded on the basis of outstanding achievement and exemplary citizenship in secondary school. All applicants to Hillsdale College are automatically considered for these awards upon acceptance. No formal application is necessary, nor is financial need a factor in the determination of awards. **January 1** serves as the priority application date for scholarship consideration.

WRITING: SHORT ANSWER

On separate paper to supplement this application, please prepare answers to both of the following two short answer questions. Please include the prompts with your answer. Responses should be less than 250 words each.

SHORT ANSWER 1
How would a liberal arts education from Hillsdale prepare you for life after college?

SHORT ANSWER 2
How would your presence on campus impact the Hillsdale community?
On separate paper to supplement this application, please prepare an answer to one of the essay prompts below. Please include the prompt with your answer. Your essay should be less than 650 words.

**PROMPT 1**
What is good character and why is it important? You may cite examples from literature, the arts, science, politics, history, athletics, business, education, or your own personal experience.

**PROMPT 2**
Discuss how an event, novel, or experience has significantly influenced you or has changed your life.

**PROMPT 3**
Since Hillsdale’s founding in 1844, our efforts have been directed by the high purposes of the Hillsdale College Mission Statement. Please respond to the Mission Statement.

Hillsdale College is an independent institution of higher learning founded in 1844 by men and women “grateful to God for the inestimable blessings” resulting from civil and religious liberty and “believing that the diffusion of learning is essential to the perpetuity of these blessings.” It pursues the stated object of the founders: “to furnish all persons who wish, irrespective of nation, color, or sex, a literary, scientific, [and] theological education” outstanding among American colleges “and to combine with this such moral and social instruction as will best develop the minds and improve the hearts of its pupils.” As a nonsectarian Christian institution, Hillsdale College maintains “by precept and example” the immemorial teachings and practices of the Christian faith.

The College also considers itself a trustee of our Western philosophical and theological inheritance tracing to Athens and Jerusalem, a heritage finding its clearest expression in the American experiment of self-government under law.

By training the young in the liberal arts, Hillsdale College prepares students to become leaders worthy of that legacy. By encouraging the scholarship of its faculty, it contributes to the preservation of that legacy for future generations. By publicly defending that legacy, it enlists the aid of other friends of free civilization and thus secures the conditions of its own survival and independence.

**PROMPT 4**
The Hillsdale College Liberty Walk honors champions of freedom on campus with monuments that recognize their work to perpetuate civil and religious liberty, blessings acknowledged in the College’s Articles of Association. Current statues celebrate George Washington, Thomas Jefferson, Abraham Lincoln, Frederick Douglass, Winston Churchill, Ronald Reagan, and Margaret Thatcher. If Hillsdale asked your input on a new addition to the Liberty Walk, who would you advocate honoring and why?

Which prompt have you chosen?:  ○ 1  ○ 2  ○ 3  ○ 4
