Fundraiser 2022-2023
Parents Association Steering Committee (PASC)
The Parents Association Steering Committee exists to gather parents in assistance and advancement of the Hillsdale College mission. Each year, the PASC chooses a fundraising project that is a priority among the College’s needs. The 2022-2023 goal is to raise $3 million for scholarships—which help Hillsdale maintain its independence from government-funded student aid—and for the College’s general operating budget, the most difficult dollars to raise.

Both the PASC and Hillsdale College are most grateful for the gifts of Hillsdale parents and grandparents. Their support lays a crucial groundwork for everything Hillsdale accomplishes and helps to defray the more than $96,191 per student net cost of a Hillsdale education to a more affordable tuition price. Thank you for your support and for “paying it forward” to those who will follow in your students’ footsteps.

Parents Association Steering Committee Sub-Committees
The Parents Association Steering Committee (PASC) has five sub-committees for the 2022-2023 academic year. They are:

1. Fundraising Sub-Committee
2. Events Sub-Committee
3. Freshman/New Parent Sub-Committee
4. Career Services Sub-Committee
5. Project Partners Sub-Committee

There is much excitement brewing with opportunities for parental involvement. Stop by the Parents Association table to discover which committee would benefit most from your interests and skills!

You may also contact any sub-committee chairperson by visiting hillsdale.edu, clicking info for parents, then on Parents Association Sub-Committees.

Parents Wine Tasting
Wines from the Coastal Mediterranean
The regions of Languedoc and Roussillon are coastal Mediterranean swaths in the South of France, stretching from Provence to the Pyrenees at the Spanish border. On a map, the area may not seem impressive, yet one in every three French wines is produced here. Besides being the largest wine production region, this area is considered the “cradle” of French wine and known for exceptional values. The $40 per person will cover the cost of the wine and paired food. Please mark on the enclosed RSVP form if you will attend.
