## **Hillsdale College Hosts Spring Parents Weekend**

HILLSDALE, Mich. — Hillsdale College welcomed parents to campus for Parents Weekend from Feb. 23-25. The event is held once each semester and serves as an occasion for parents to visit their children and learn more about life and education at Hillsdale College.

“Parents Weekend provides the perfect opportunity for parents to see the lives of their students on campus and connect with other Hillsdale families,” said Director of Parent Relations Maree Socha. “We appreciate all of our Hillsdale parents and always look forward to hosting them throughout their child’s time at the college.”

The highlight of the weekend is parent-faculty conferences during which parents are invited to meet with professors to learn more about their children’s courses and performance. “Parent-professor conferences are rare in higher education, but at Hillsdale, we understand the value of the partnership between students, parents, and the college.” said Socha

Over the course of the weekend, parents had the opportunity to attend other events on campus, including a luncheon, a wine tasting, a chamber ensemble concert, and the Tower Players production of “Bright Star.”
